2009 INAS-FID Global Games Championships - Swimming Czech Republic, 5th – 13th July 2009

SELECTION POLICY

The qualification opportunities for the 2009 INAS-FID Global Games Championships (Swimming) are listed below. These opportunities are called “Qualification Events”.

The Qualification Events for consideration for selection to the GB (LD) Global Games Swimming Team are:

Qualification Event 1: Results from the INAS-FID European Swimming Championships, August 16th to 22nd, Poland.

Qualification Event 2: WASA Long Course Championships, December 13th and 14th, 2008, Wales National Pool, Swansea.

All swimmers wishing to be considered for selection are expected to compete at the WASA Long Course Championships.

A) Registration

1. Each swimmer **must have** a full “April 2005”, INAS-FID Registration number to be considered for selection to the 2008 INAS-FID European Swimming Championships

B) Selection to Individual Events

1. The swimmers with the 3 fastest recorded times from the ‘qualification events’ in each of the 2009 Global Games programmed events, will be considered for that event.
2. Any swimmer who is selected for the GB Team, but has not achieved a GB qualifying time in an individual event, *may* be considered for that event, *if* there is a place available within that individual event and their time meets the competition minimum standard time. This may only happen if there are less than three swimmers who have achieved the standard time.
3. The Selection Committee will give priority to swimmers who have achieved the standard time **and** who are also members of a relay team. However, swimmers will only be considered if their time is equal to or is better than the 2009 INAS Event Entry Time.
4. **Swimmers must compete at all Global Games Championship programmed events for which they wish to be considered.** Any times recorded from an event

that is not a scheduled 2009 Global Games Championship events will not be considered by the Selection Committee.

5. Swimmers must have at least 2 GB qualifying times in two separate individual events to be considered for selection.

C) Selection for Additional Individual Events

The Selection Committee will only consider a swimmer to compete in any additional events if the following conditions have been met:

1. The swimmer must have qualified for the GB Team in either an individual or relay event as set out in A and B above.
2. Additional swims will only be considered once all selections have been confirmed using the criteria set out in section B above.
3. The Team can only enter a maximum of three entries per Global Games Championship event. All additional entries will be made at the complete discretion of the Selection Committee. The Selection Committee will consider the views of the 2009 Global Games selected Team Manager (Swimming) and Head Coach to make their decision.

D) Illness and Injury

1. If a swimmer is unable to compete at any of the qualification events, due to illness or injury, the Selection Committee may consider them eligible for consideration for selection as long as they have competed in at least one Global Games Championship programmed event between 16th August 2008 and 11th January 2009. This must be at an event recognised by the Selection Committee.
2. The Selection Committee will decide, at their sole discretion, which events are "recognised events". If this happens, results from the designated "qualification events" will not be considered. The Selection Committee will also make their decisions based on places available, and qualifying criteria as set out above.
3. If a swimmer is unable to compete at any of the Qualification events due to illness or injury and wishes the Selection Committee to consider their times from a recognised event as stated above, that swimmer will also be required to submit a valid, original medical certificate to the Selection Committee at the same time. The Selection Committee will consider the time and the swimmers likely fitness level and make their decision. The decision of the Selection Committee is final.

E) Relays

1. The Selection Committee may select additional swimmers for relays as long as the combined times of the swimmers show that the GB Team will have a realistic medal opportunity. A decision on realistic medal opportunity will be made using the relay results achieved at the 2007 INAS-FID World Championships in Belgium and the

2008 INAS-FID European Swimming Championships in Poland as the minimum standard.

2. The 2009 GB Team Manager and Head Coach may at their discretion, hold relay practices at any time and location after the GB Team has been selected.
3. The final relay team selection will be made by the 2009 GB Head Coach, at his or her sole discretion at the 2009 Global Games giving due regard to the recommendations of the SSC.
4. The 2009 GB Head Coach will decide the relay team to swim in either heats or finals at his or her sole discretion.
5. The decision of the 2009 Head Coach in each of these matters is final.

F) Other Selection Criteria & Considerations

1. Swimmers must be in current training and retain an appropriate level of training commensurate to World International performance and continue in that training through to the Global Games Championships.
2. Swimmers must not take holidays prior to the Championships, which might, in the opinion of UKSA and/or the GB Head Coach, be detrimental to their performance at the Global Games. Swimmers should seek the advice of the UKSA GB Head Coach before booking a holiday in the period between selection and the Championships (ie. between 12 January – 4th July 2009)
3. Swimmers must keep in regular contact with the UKSA GB Head Coach from selection through to the Championships to ensure their preparation is at the right level and on track.
4. If a swimmer does not carry out the steps in 1 to 3 above, and in the reasonable opinion of the UKSA Selection Committee and/or the GB Head Coach, is not therefore at an appropriate fitness, training or competitive level to appropriately represent Great Britain at the Global Games, then that swimmer may be de-selected from the Team.
